Dear Peter,

Thank you for your letter of 8 January requesting an update on the proposed works on the A4042 at Goytre and The Secret Garden.

There have been some delays in the design stage for the pedestrian crossing at Goytre although we remain optimistic that work will start on site before the end of the current financial year with likely completion early in the new financial year.

Regarding the Secret Garden, we are still at the preliminary design stage on this project, safety audits are due to be undertaken before we proceed to detailed design for the preferred option in the next financial year.

Yours sincerely,

Ken Skates AS/MS
